MASON & HAMLIN'S CABINET ORGANS—FOR Agamilies, churches and schools. Recognized by the musical profession as greatly superier to harmoniums, melodoons and all other small organs. See our illustrated catalogue for explicit testimony to their superierity from a majority of the most eminent organists in America. Prices \$85 to \$500 each, CAUTION TO PURCHASERS.—The great reputation of our Cabinet Organs, and the extensive demand for them have induced dealers, in some cases, to advertise outlet different instruments as Cabinet Organs, and in others to represent to purchasers that harmoniums and other reed organs are the same thing. This is not true. The excellencies of our Cabinet Organs, which have given them their high reputation, are the result not merely of the superiority of their workmanship, but also in large measure of essential differences of construction, which being patented, cannot be used by other makers. From these arise their better quality and volume of tone and capacity for expression. Every Cabinet Organ has upon its name board, in the three of the superiority of the Superiority of the Superiority of the Superiority of their Workmanship, but also in large measure of essential differences of construction, which, being patented, cannot be used by other makers.
